# ABOUT THE PROGRAM

The outcome-based education philosophy is being implemented in higher and technical education systems. NITTTR Bhopal performs a crucial role in designing, implementing and evaluating the impact of outcome-based education aligned with NEP 2020. NITTTR, Bhopal is involved in creating awareness, developing systems and training faculty members to scientifically, effectively, efficiently and productively implement the outcome-based education philosophy in HEIs. The faculty members play a crucial role in the implementation of NEP and outcome-based education philosophy in totality. The programme is aimed to develop the capacity of faculty members to transform outcome education philosophy in HEIs through training, workshops, consultation meetings, conferences, research and mentoring the HEIs.
