Clarifications for the Post of Assistant Professor

This is in continuation of the advertisement no.F.DTU/Rectt/AP/2024/F-950/2775 dated 14-03-2024.

It is clarified that for the purpose of recruitment to the post of assistant professor, for seeking exemption from the screening test / award of weightage marks for those not eligible for exemption from screening test, candidates should have the Ph.D. degree in the relevant branch and the research publications (Category I/ Category II/ Category III) should be in the relevant research area of the discipline in which the candidate has applied. The research publications (in Category I/ Category II/ Category III) from the work contained in the Ph.D. thesis and the publications (in Category I/ Category II/ Category III) post Ph.D. will be ascertained after the declaration of the result of the screening test and prior to (i) presentation and (ii) interview before the respective committees. Further, at this stage, candidates are also required to submit an undertaking, with all relevant details, as given in Annexure-I.

13.8.24
Director (Rectt.)

Annexure-I
