NOTICE

This is in reference to the advertisement of Assistant Professors in the disciplines of Computer Science & Engineering, Software Engineering, and Information Technology issued vide no.2/24 dated 14.03.2024. For these posts, a common Screening Test/Written test was conducted on 8th December, 2024. Based on the performance of written/screening test, the list of candidates qualified for Presentation and Interview was displayed on the website on 08.12.2024. Besides this, the list of candidates exempted from Screening test was also displayed on the website on 03.12.2024.

Before the Interview, all the candidates qualified in the Screening Test and candidates exempted from Screening Test are to be assessed for the teaching aptitude and ability, subject to fulfilling the eligibility after document verification by the Committee. Accordingly, these candidates required to make presentation before Presentation Committee.

For presentation, the candidates are hereby informed that one presentation is allowed irrespective of applications in the discipline of CS/IT/SE. The presentation of about 10-15 minutes may be on any topic from the syllabus of the written test for these posts with 10-12 slides only. Document & Marks Verification and Presentation are scheduled w.e.f. 06.01.2025 to 11.01.2025 (9:00 AM onwards). The date of verification and Presentation is indicated in the list enclosed.

Further to the above, interview will be held in all the disciplines(CS/IT/SE) separately. Candidates are advised to keep visiting DTU website regularly for further information and updates on these matters.
