Introduction:

The Equal Opportunity cell of DTU was set up in the year 2018 with the aim to assist and counsel the students belonging to deprived sections including the scheduled castes, scheduled tribes, women, persons with disabilities etc. pursuing various programs of studies at the University.

Vision:

To create and sustain the environment in the university which promotes equal human values while respecting distinct cultural identities.

Mission:

To pursue and realize social inclusion and integration of marginalized sections including SC, ST, OBC, women and persons with disabilities (PwD) of the Indian society by identifying and dissuading the different types of discrimination that exist in both conscious and unconscious social behaviour. It also aims to contribute to the creation of a society that is free of discrimination and prejudice, and to promote good relations and foster a vibrant human rights culture.

Objectives:

The main objectives of the cell are

1. To work out suitable programs/ schemes, including Remedial Courses, for improving the academic performance of students from SC, ST, OBC, women and persons with disabilities (whether at undergraduate, postgraduate, PhD or other levels) and/ or to monitor the implementation of such programs/ schemes
2. To coordinate with government and other funding agencies (including Public Sector Undertakings/ Public Sector Banks) with a view to mobilise financial and other resources required for educational empowerment of the students from marginalized sections.
3. To disseminate the information and act as a counselling-cum-guidance centre for students belonging to the marginalized sections, especially with regard to academic, financial and social matters.

4. To help and develop a cordial inter-personal relationship among students and between teachers and the students from marginalized sections for academic interaction and extra-curricular activities; by sensitising the teaching and other staff.
5. To assist in smooth and efficient running of a Resource Centre which specializes in addressing the needs of PwD in all categories including visual, hearing, orthopaedic, and neurological disabilities.
6. To promote a social and psychological environment to raise awareness on sexual harassment and gender-based discrimination against women.
7. To organize or conduct seminars/ symposia/ workshops/ conferences/ exhibitions/training program, etc. from time-to-time on issues of contemporary significance for empowering, educationally and culturally, students belonging to the marginalized sections.
