

DEPARTMENT OF BIOTECHNOLOGY  
DELHI TECHNOLOGICAL UNIVERSITY  
SHAHBAD DAULATPUR, BAWANA ROAD, DELHI-110042

Dated: February 04, 2025

To  
The Director  
Equal Opportunity Cell  
Delhi Technological University, Delhi

**Subject: Publication of Annual Report on 'Women and Men in India'**

Dear Ma'am

With reference to the email dated January 27, 2025, received from the Department of Training and Technical Education, enclosed please find herewith an annual report on 'Women and Men in India' from the Department of Biotechnology.

Thanking you

Your Sincerely

*Ym*  
*04.02.25*

Prof. Yasha Hasija

(Head, Department of Biotechnology)

*Ref No. 12406*

**DEPARTMENT OF BIOTECHNOLOGY  
DELHI TECHNOLOGICAL UNIVERSITY  
SHAHBAD DAULATPUR, BAWANA ROAD, DELHI-110042**

**Annual Report on 'Women and Men in India'**

**Prof. Yasha Hasija**, Head, Department of Biotechnology got financial support from the University through PDF funds for participating in IEEE-sponsored 3<sup>rd</sup> International Conference on Computational Modelling, Simulation and Optimization, organized at **Phuket, Thailand** held between June 14-16, 2024. The conference was organized by Innovative Research Foundation (IRF), National Institute of Technology Kurukshetra, India, Andhra Loyola Institute of Engineering & Technology, Andhra Pradesh, India, Sampoerna University, Indonesia. She chaired a session and also presented a paper titled 'From atoms to applications: Computational insights in nanomechanics' in the conference.

**Ms. Neha Kumari**, Research Scholar, got financial support from the University for participating in IEEE-sponsored 3<sup>rd</sup> International Conference on Computational Modelling, Simulation and Optimization, organized at **Phuket, Thailand** held between June 14-16, 2024. The conference was organized by Innovative Research Foundation (IRF), National Institute of Technology Kurukshetra, India, Andhra Loyola Institute of Engineering & Technology, Andhra Pradesh, India, Sampoerna University, Indonesia. She presented a paper titled 'CADD: Exploring the digital frontier in drug designing' in the conference.
