Dated :- 11/11/2024

NOTICE

This is to inform all students that a Winter Internship opportunity is available with the Indian Space Lab. The application **deadline for this internship is 22nd November**. Interested students are encouraged to review the details and submit their applications by the given deadline. The details are given below:

Undergraduate and postgraduate students and research scholars enrolled in recognized universities or institutions in India and abroad can apply for the India Space Lab Internship. Participants will work closely with various verticals, divisions, and cells of Space and receive training in Drone Technology (Air Taxi), CanSat and CubeSat (Student Satellite), Space Entrepreneurship, and Astronomy. Applicants must apply online by completing the registration form.

Designation of Intern: Space Tech Entrepreneur Intern

About The Internship:

The winter internship has a total of 845 available seats. Selection shall be conducted on a merit basis, determined by the candidate's performance and marks attained in the Examination.

Registration for the winter internship and training program will open on October 25th at 3 PM. The online application link is open from **25th October – 22nd November** till 5pm.

Shift 1 : Exam Date: 30th November at 2pm to 3:30pm

Shift 2 : Exam Date: 1st December at 2pm to 3:30pm

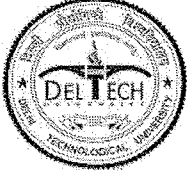

Application fees may apply: ₹750.

Students with an annual family income of INR 8 lakh to 10 lakh

Application fees may apply: ₹350

The exam will be based on Intermediate Mathematics and Logical Reasoning. It will consist of 35 questions; each question will carry two marks and total duration of the exam is 1 hour 30 min.

Note: The results will be announced on December 5th, and training will commence on December 7th. Both the exam and training will be conducted online.

Internship Application Link:

https://isl.internship.indiaspaceweek.org/internship_form/

Important: The lateral entry will not impact the number of seats available for the winter internship.

Winter- Internship Training Module: 30 DAYS (7th December - 7th January)

- I) 5 Days of Advanced Drone Technology (Air Taxi): 7th December to 12th December
- II) 3 Days of CanSat and CubeSat (Student Satellite): 15th December to 17th December
- III) 3 Days of Astronomy Training Program: 20th December to 22nd December
- IV) 5 Days of Space Entrepreneurship Sessions: 23rd December to 2nd January
- V) Project focused on Technology and Official Works

Lateral Entry:

The internship training program will offer lateral entry for officials, faculty, research scholars, and students interested in technology or various projects. Participants can select the technology they wish to learn and join the ongoing sessions.

Important: Individuals who join through lateral entry will not be classified as part of the internship. Instead, they will receive a certificate upon completing the training program

Registration for Lateral Entry : Does not involve an examination process

India Space Lab is pleased to announce an opportunity for officials, faculty, research scholars, and students to engage in lateral entry into their preferred technology areas. This initiative does not involve an examination process. Participants will receive a training certificate upon completion rather than an internship certificate.

Tuition fees may apply: ₹1750.

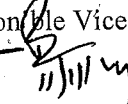

Students with an annual family income of INR 8 lakh to 10 lakh

2 Subjects: ₹950

4 Subjects: ₹1350
