

**Department of Applied Physics
Delhi Technological University**

in association with Institution's Innovation Council (IIC)-DTU
Organizes the Celebration of

World Entrepreneurs Day (WED-2025)

Date: 21st August, 2025, Time: 10:00 AM Onwards

Venue: Pragyan Hall, 2nd Floor, Administrative Block, DTU

The Department of Applied Physics, Delhi Technological University (DTU), in collaboration with the Institution's Innovation Council (IIC-DTU), successfully organized an event on **World Entrepreneurs Day (WED-2025)** on 21st August 2025 at Pragyan Hall, Administrative Block, DTU. The program was inaugurated by **Prof. Narendra Kumar, Hon'ble Registrar, DTU**, with *Saraswati Vandana*, in the august presence of **Prof. Vinod Singh**, Head of the Department of Applied Physics and Chairperson of WED-2025, and **Dr. Renuka Bokolia**, Coordinator of WED-2025. The occasion was further graced by two distinguished speakers, **Prof. Vinod Kumar**, Head, Department of Applied Physics, NSUT, Delhi, and **Mr. Amit Kaushik**, Co-Founder and Director, Phoenix Tech Consulting, and a proud alumnus of DCE.

Welcoming the dignitaries, faculty members, and students, **Prof. Vinod Singh** highlighted the key achievements of the department and emphasized its role in promoting innovation and entrepreneurship. **Prof. Narendra Kumar**, in his address, underlined the growing importance of entrepreneurship in everyday life and appreciated this initiative aimed at inspiring students to explore entrepreneurial opportunities.

The first technical session was delivered by **Mr. Amit Kaushik**, who shared insightful perspectives on entrepreneurship as a *journey of possibilities*, motivating participants to look at challenges as opportunities. The second session was conducted by **Prof. Vinod Kumar**, who spoke about the significance of *academics, innovation, and product development* in fostering an entrepreneurial mindset. Both sessions were highly interactive, with enthusiastic participation from students who engaged actively with the speakers.

The event concluded with a **vote of thanks by Dr. Renuka Bokolia**, followed by a group photograph to mark the successful completion of the celebration. The program not only inspired the students but also reinforced the university's commitment to promoting entrepreneurship, innovation, and holistic learning.
