

DELHI TECHNOLOGICAL UNIVERSITY

ABOUT DTU

Delhi Technological University (DTU), a leading World Class Technological University, plays a vital role in National and Global Knowledge Network. It is empowering India with the Wings of Knowledge and Power of Innovations. With more than 84 years of tradition of excellence in “Engineering & Technological Education” and “Research & Innovations”. DTU came into being after the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi. It is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas and matters connected therewith or incidental thereto. The University currently offers various inter-disciplinary and industry relevant programmes in Science, Technology, Management, and allied areas at Undergraduate, Postgraduate and Doctoral level.

M.Tech by RESEARCH

M.Tech. by Research is a new program in the Delhi Technological University (DTU) is similar to other masters program. The program is designed for students who wish to explore a career in R&D, and can serve as a first step either towards a Ph.D. or towards a high-end R&D oriented career in industry. The duration of the program is flexible with a duration of 2 years. This programme is for those students who are interested in exploring specified in-depth research problem or real world problem through research pursue their career in M.Tech. by Research programme. In conformance with the interdisciplinary mandate of the center, the program will be open to students with a bachelor’s degree in all engineering disciplines.

SALIENT FEATURES

- M.Tech. by Research is a research-based postgraduate degree.
- Develop the research skills and knowledge, and can be further used by the students in their professional careers or as preparation for a doctoral/PhD program.
- First year curriculum is a coursework for M.Tech. by Research students. Students can directly pursue PhD in the specific domain after completion of first year.
- 20% courses can be covered through MOOCs from online platform.
- Outcome: SCI/SCIE/SSCIE/Patent Awarded/Working Product as outcome of M.Tech by Research.

DEPARTMENTS @DTU

Applied Chemistry

Applied Physics

Biotechnology

Civil Engineering

Computer Science and Engineering

Electronics and Communication Engineering

Electrical Engineering

Environmental Science & Engineering

Information Technology

Mechanical Engineering

Software Engineering

Geospatial Science and Technology (DGST)

FINANCIAL ASSISTANCE

GATE candidates: Assistantship as per AICTE norms will be awarded to the full time students of M.Tech. by Research for the duration of the programme.

Non-GATE candidates: The University will provide financial assistance of **Rs. 7500/-** per month based on the recommendations of a committee constituted by the Competent Authority.
