The Central Library, DTU, has been conducting its annual information literacy program on “E-Resources: A Gateway for Research since 2016 (except during the pandemic year 2020)” This year, the library plans to organize the 10th edition of the annual program from **14th to 18th September 2026 (Monday to Friday)**. During the program, experts/publishers from different databases/e-journals will deliver presentations on their respective platforms to help maximize usage and address any issues faced by faculty and students in accessing these resources.

Registration is **mandatory**, and the last date for registration is 14.09.2026 (up to 12:00 noon).

Registration Link/QR: <https://shorturl.at/C7rq0>

All Deans, HODs, and Branch/Section In-charges of DTU are requested to encourage students, particularly **newly admitted students**, to attend this workshop. **Certificates will be** awarded to participants who maintain at least **90% attendance**.
